Hello

I'm
Yvette

YVETTE DE ORO

El Paso/Calgary (North American) border babe and forever a library gal - Yvette lives in Dallas with her husband and a black lab named, BB.

A degree in Public Relations led her to work in print/digital ad sales for well-known magazine brands for many years. Burnout, the pandemic and a prompt from favorite author, Penny Reid, opening up her world started the writing adventure.

Yvette de Oro debuted in 2021 with 'The Changeup' in Violet Gaze Press' Friends to Lovers Anthology and has self-published two titles in the Blue Hill series since.
